Taking To The River

Local Enthusiasts Gear Up for Memorial Day Boat Race

While most people equate Memorial Day with either patriotic parades and special services honoring those who gave up their lives in battle for our country ... or the official start of the summer season, replete with outdoor cookouts and a relaxing afternoon at the beach, a group of 70-plus individuals will be taking on the challenge of the Mattapoisett River in what has become an annual tradition in the tri-town area.

A variety of homemade and personally-crafted wooden boats will take to the river carrying a two-person team, each vying to either capture the first prize in their respective division or — better yet — be the first to complete the approximate two-hour trek from Grandma Hartley's Reservoir on Snipatuit Road in Rochester to the Herring Weir on Route 6 in Mattapoisett.

For longtime racers like Bryan Sherman of Rochester, this year's competition is particularly important. He and his partner, Mike Gifford, are hoping to take first place for the third consecutive year, for which they will receive the coveted James Hartley Award.

Although their past glory has earned them the right to start off with the first gun at 8:30 am on Memorial Day, Mr. Sherman doesn't necessarily view that as a big advantage.

"That can be good or bad, depending on how you look at it," he said while preparing his new 18-foot boat this week. "Sometimes it's better to be the hunter than be hunted. We're going to have to constantly stay ahead of the pack."

Having abandoned last year's winning boat design for a new 1/4-inch plywood vessel which he feels will give them a little more speed on the river, Mr. Sherman noted that many of the more seasoned competitors have certainly borrowed ideas from each other over the years. Some of the changes he's seen in past races include a tendency to build bigger boats (most are now 16- to 18-feet) and the almost exclusive use of flatter and wider oars.

"I've been racing since I was 11 years old," Mr. Sherman said, "and I've seen a lot of changes over the years."

Despite his years of experience, however, he maintains that there's no elusive secret to winning. It simply requires a good, solid boat and equal parts of dedication and stamina.

"Really all you do is keep going hard during the race and try to maintain a good, steady pace," he said. "If you can do that, you've got a good shot at finishing first."

Though he's keeping an eye to retiring from the race after this year — especially if he and Mr. Gifford are able to capture the James Hartley trophy — Mr. Sherman is already prepping another generation to follow in his footsteps.

His thirteen-year-old daughter, Meredith, will be running the race for her second consecutive year and will be defending her 1993 first place win in the Junior Girls Division with teammate Cynthia Lawrence. Meredith and Cynthia will be starting in the 41st position at 9:10 am.

Both father and daughter will be competing against a total of some 74 other registered racing teams in the 1994 Rochester Memorial Day Boat Race. Longtime race Chairman Arthur Benner noted that the race has averaged about 70-75 teams for the past few years, but once boasted as many as 92 registered starting positions.

Other teams defending their first place finishes from last year include Joshua Hedges and Katie Hedges of Rochester in the Co-Ed Division (starting in position 8); Gary Schuyler and Matt Schuyler of Mattapoisett in the Parent/Child Division (starting in position 25); Christine Cervelli and Rose Renauld of Rochester in the Women's Division (starting in position 19); and Alexander Ashley and Kyle Crowley of Rochester in the Junior Boys Division (starting in position 60).

The top 20 starting teams in this year's race — each of which will start at one-minute intervals beginning at 8:30 am — are: 1. Mike Gifford (Rochester)

On the cover: Rochester carpenter Bryan Sherman poses with his new 18-foot, 1/4-inch plywood boat which he hopes will help earn him his third consecutive win in the Memorial Day Boat Race. Next to him is daughter, Meredith, who is hoping to win the Junior Girls Division for the second consecutive year. (Photo by Kenneth J. Souza).

Mattapoisett Selectmen's Meeting

May 24, 1994

By Christy Beck and Erica Thrall

A regular meeting of the Mattapoisett Board of Selectmen was called to order on Tuesday, May 24 at 7:04 pm by Chairman John N. DeCosta. Also present were Selectman Paul E. Lambalot and Executive Secretary Carol J. Adams. Selectman Daniel O. Mahoney was absent.

The minutes of the May 16 and 17 meetings were passed via majority vote. The board noted that the Annual Town Meeting will take place on Monday, June 6, Thursday, June 9, and possibly Friday, June 10. The appointment of Jason A. King as Reserve Cadet for the Mattapoisett Police Department was also approved by the board.

Chairman DeCosta then noted the following meetings scheduled throughout the week:

• Wednesday, May 25 at 11:00 am — Plymouth County Jail Dedication

• Wednesday, May 25 at 7:00 pm — Old Colony Voke Meeting

• Monday, May 30 at 1:30 pm — Memorial Day Exercises will begin at the Mattapoisett Public Library.

With no outgoing correspondence this week, the Selectmen moved on to incoming

Superintendent William Nicholson received a letter from the Department of Environmental Protection (DEP) thanking him for his support of the Old Hammondtown School's participation in National Drinking Water Week.

The Selectmen received notices concerning the Fiscal Year 1994 Cherry Sheets. The sheets contained the town's estimated receipts from the state for the upcoming year. Total estimated receipts for Mattapoisett is $498,167. Mattapoisett will also share in the estimated $1,420,654 for the Old Rochester Regional School District and $2,147,027 for the Old Colony Regional District.

Representative William Straus sent a copy of his proposed amendment for the Soft Second Loan Program and an update of the progress of the Maintenance and Effort Requirements of the Education Reform Act.

The Cub Scouts received permission from the board to hold their Annual Picnic at Ned's Point on June 11.

the World Cup Soccer Federation will also be present.

As preparation for summer visitors, the Channel Street house which was "ravaged due to fire" was demolished on May 20.

Jeffrey Swift arrived at 7:15 pm to discuss the upcoming Mattapoisett Triathalon. This year, families will be encouraged to participate. Due to swimming hazards, no more than 125 people may compete. Ads will appear on Bay 8 cable television, in The Wanderer, and in local stores that will attract publicity as the date approaches. Selectman DeCosta noted the event was "for a good cause."

Following discussion of the triathalon, Joe Poirier came to discuss his application for a license for a car shop on Industrial Drive. The Selectmen will meet next week to discuss whether Mr. Poirier will be allowed to display four trucks in the area near his shop. No letters were received in opposition, but two were received in support. Mr. Poirier stopped by because he "can't go to auction without a license, can't do paper work without a license ... and it will allow (him) one more thing to do."

The 1993 Annual Town Reports are now available at the Town Hall. Residents are encouraged to pick up a copy. There being no further matters to come before the board, they unanimously voted to adjourn for the evening.

Marion Selectmen's Meeting

May 24, 1994

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, May 24 at 7:04 pm by Chairman Loretta B. Schaefer. Also present were Selectman Albert E. Winters, Selectman Jonathan "Jody" Dickerson, Secretary Helene Craver and Executive Secretary Ray E. Pickles.

After approving the minutes of the May 10 and May 17 meetings, the board voted to reappoint members to the Elderly Housing Committee, Fourth of July Committee, Harbor Planning Committee, Music Hall Restoration Committee, Marion Housing Partnership Committee, Mattapoisett River Valley Water Supply Protection Advisory Committee, Recreation Committee, Wastewater Facilities Plan Advisory Committee and Assistant Dog Officer.

Chairman Schaefer, however, said she had some reservations about reappointing Barbara Burr to the Conservation Commission. "I'm concerned about Ms. Burr's reappointment as she hasn't been to a single site visit all year," she said. "We have discussed with all members that they are responsible for attending the site visits ... I think it's an important part of the job."

Selectman Winters concurred, but felt Ms. Burr should be approached before the

board decided whether or not to reappoint her to the ConCom. "I think as she is a sitting member on the commission, we should wait a week and contact her about her ability to attend site visits," he said. "If she is unwilling or unable to attend these site visits, then I agree she should step down."

The board went ahead and unanimously reappointed Dennis Luttrell and Frank Germano to the ConCom and said they would hold Ms. Burr's appointment until next week.

Chairman Schaefer then noted the new town flag which is hanging in the Board of Selectmen's office. The flag, which is a white field emblazoned with a colorful depiction of the town seal, was fashioned by Carol Lareau of Mattapoisett and will be sent to the State House to be displayed in the Hall of Flags on June 14 (Flag Day).

At 7:15 pm Joseph P. Zora Jr. came before the board with some further concerns he had over property owned by his father. Mr. Zora said he didn't think the town was owning up to damage they've incurred to said property by

running the effluent line through an adjacent brook, replete with added chemicals and "pollutants."

"I think you need to find a long-term solution to the effluent line problem," he said. "A long-term plan should not be 10 years in the making. Sometimes enough is enough. I think you should take steps to see that something is done in the short term."

Chairman Schaefer, in noting that a letter had been sent to Mr. Zora's father offering to re-zone the plot into one parcel, said the board made a decision which they thought would be fair and reasonable. "We came up with what we thought would be a fair solution using straight mathematics," she said. "If you have a proposal you'd like to present, we'd be glad to consider it."

But Mr. Zora said he didn't feel like the town was making any great strides to help him and that they were intentionally "ignoring" the issue.

of Jonathan's Sprouts came before the board to request the use of Silvershell Beach for a clam boil on August 19. The company will be hosting between 40 and 80 people who will be attending the International Sprout Growers Association Annual Convention in Boston on that date. The board unanimously granted permission for said purpose between the hours of 3:00 and 8:00 pm on that date. Selectman Dickerson also offered the use of the public bathroom facilities at the site and extra lifeguards should the company be interested in hiring them.

Under incoming correspondence for the week, Chairman Schaefer noted a letter from Robert L. Sundblad who is offering to donate a theater organ to the town for use in the Music Hall. The ornate instrument, which has been assessed at a value of $1,750, is to be picked up from Mr. Sundblad's home as he is moving. Chairman Schaefer said she would be sure to send him a thank you note for the kind donation.

The Marion Republican Town Committee sent a letter to the board responding to their request for three recommendations to fill positions as voter registrars. The board thereby unanimously voted to appoint Stephen Day, Andrea Keen, and Eleanor Warner as voter registrars for a three-year term to expire on May

William H. Booth and Richard W. Murphy both submitted letters of resignation to the board, advising them that they are stepping down from the Marion Cable Advisory Committee, effective May 14, 1994. Both men have served on the committee for the past two years and were complimented for their service.

Resident Kay Reis sent a letter stating her vehement opposition to the establishing of a dog kennel for the town near her property. Ms. Reis noted that such an addition would not

"likely add to the value of neighboring houses" and a re-writing of the zoning code would set "an unfortunate precedent" and create a potential nuisance with barking dogs. Chairman Schaefer noted that the letter would be kept on file.

Diane Duebber, Coordinator for the Council on Aging, sent a letter to the board advising them that Kathryn R. Gemme has been deemed the oldest living resident in Marion and is next in line for presentation of the Boston Post Cane. Ms. Gemme currently lives at 2 South Street and has been a resident of Marion for three years. She was born on November 9, 1894 and will be 100 years old this year.

Chairman Schaefer asked that arrangements be made for either Ms. Gemme to attend a future meeting or that the board arrange to meet her to bestow on her this unique honor.

The State Alcoholic Beverages Control Commission (ABCC) sent notice to the board of the 1994 Summer Holiday Schedule governing the sale of alcoholic beverages under the so-called "blue laws." On Memorial Day (Monday, May 30), package stores, manufacturers, wholesalers and importers *may not* sell any alcoholic beverages. However, on Independence Day (Monday, July 4) and Labor Day (Monday, September 5) hotels, restaurants, taverns, clubs, package stores, etc. may sell or deliver alcoholic beverages.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:16 pm.

Rochester Selectmen's Meeting

May 23, 1994

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, May 23 at 7:00 pm by Chairman David L. Hughes. Also present were Selectman Lorraine Roy Hawkes, Selectman Michael C. Murphy, and Administrative Secretary Shirley A. Ferreira.

After approving the minutes of the May 16 meeting with some minor clarifications, Chairman Hughes went over incoming correspondence for the week beginning with a request from Edward Ashley to update two passbooks which the board is currently holding on his Earth Removal Permits. The passbook needs to be updated to record interest accumulated to date. Chairman Hughes noted that if there is no activity on a passbook within six years, the state will claim it.

"I think we should ask (Town Treasurer) Doris (Boucher) if there are any other passbooks which need to be updated," Selectman Hawkes said. "I think the responsibility for updating the books should remain with the applicant, but they should be notified if it needs to be done." The board unanimously agreed.

The Conservation Commission (ConCom) next sent a response to the board upon a request concerning the appointment process to the ConCom. According to Regional Conservation Agent Laurell J. Farinon, the ConCom maintains its own authority to appoint a director,

clerks, consultants, and other employees under Massachusetts General Laws (MGL) Chapter 40, Section 8C. The law furthermore permits the ConCom — not the Board of Selectmen as appointing authority — to choose its own clerks and consultants and pay their expenses from available funds. The Town of Rochester voted to accept the provisions of this law at the Annual Town Meeting of May 4, 1963.

Chairman Hughes said he had no quarrel with the ConCom's appointment process, but he would like the Board of Selectmen to be informed when a new person is hired as they set the salaries and wages of all non-elected officials. But Selectman Hawkes countered that the law allows the ConCom to pay whatever salary/wage they

want out of "available funds."

The Massachusetts Department of Revenue next sent the town a copy of their estimated receipts (Cherry Sheet) for Fiscal Year 1995. Rochester can expect to receive $1,356,690 in total estimated receipts from the state, some $229,253 more than last year's assessment of $1,127,437. Some of the more prominent line item receipt amounts include:

- $517,227 in Chapter 70 Local School Aid
- $188,501 in Lottery Disbursements
- $63,636 in Highway Funding
- $484,522 in Local School Construction.

In addition, Rochester will be sharing in the total $1,148,687 in Chapter 70 Regional School Aid for ORR and $1,890,707 in Chapter 70 Regional School Aid for Old Colony, according to the number of students attending each school.

"From what I've seen of the other figures, Rochester definitely did better than other (local) towns this year," Chairman Hughes said.

The board also received a copy of a recent decision rendered by the Board of Appeals upon the application of Bruce Maksy (Maranatha Nominee Trust) for property located at 150 Dexter Lane. Mr. Maksy was granted a variance for an oversize building at the location.

At 7:10 pm Jeff Youngquist came before the board on behalf of SUBON to request an amendment to the

company's existing Earth Removal Permit. Mr. Youngquist asked if the permit could be amended temporarily to allow trucks to turn right upon leaving the site so that the gravel removed could be taken to another project the company is involved in about one mile over the Rochester/Middleboro town line.

"This would only be for about 90 days at the most ... and we'd limit the traffic to two trucks per hour," he said.

But the board was apprehensive about changing the stipulations of the current Earth Removal Permit, as changing the route of travel would allow trucks to venture past several houses and could possibly incur damage to a culvert on Ryder Road.

"I'll be honest, we've had problems with this Earth Removal Permit from day one," Chairman Hughes said. "The reason we stipulated that the trucks have to turn left onto Ryder Road is because there are a great many homes in that area. I also wouldn't feel comfortable with the change unless you are willing to post a bond over and above the amount of the Earth Removal Permit to cover any damage which the trucks might incur to the road."

The board also advised Mr. Youngquist that any such change would require a Public Hearing and notification of all abutters before it could be approved. He agreed he would discuss potential liability for the road and the possibility of re-advertising for the Public Hearing

"If you feel you want to proceed with this amendment, then contact (Town Hall) this week and make arrangements for the Public Hearing," Chairman Hughes said.

At 7:35 pm the board met with the Town Inspectors regarding the proper procedure for submitting payment vouchers to Town Accountant Claudette Coutu. Present were Wiring Inspector Michael Forand, Building Inspector Robert C. Francis, Gas/Plumbing Inspector Roger Bolduc, and Oil Burner/Tank Inspector Joseph H. Clapp.

Last week, Wiring Inspector Michael Forand came before the board to inform them that he had submitted a payment voucher two weeks earlier and was told by Ms. Coutu that he wouldn't get paid until he submitted separate documentation listing all his inspection calls. Mr. Forand countered that he had never been questioned about this before and he didn't think the process should be changed in mid-stream. The board said they would contact Ms. Coutu regarding the proper procedure and asked that Mr. Forand be paid for his past calls.

"Before we get started tonight, the board voted last week to pay me for the last voucher submitted," Mr. Forand said. "(Ms. Coutu) has not paid me. It's against the law to hold back someone's pay."

As Ms. Coutu was unable to be present for the meeting, the board said they will again advise her to pay Mr. Forand for the previous voucher submitted and will look into why she is requesting further documentation.

"The bottom line is: when we sign a voucher as an appointed town official, aren't we taking the responsibility for the hours we're submitting?" asked Mr. Francis. "I don't see why we're here at all ... I've always submitted the vouchers the same way and have never been questioned on it."

Selectman Hawkes suggested that the meeting be continued at a later date when Ms. Coutu could be present, as most of the questions could be answered by her, and her alone. But Mr. Forand was perturbed that he

had been forced to come before the board twice already and hadn't been given any satisfactory answer.

"I cannot understand why you can't make a decision on this without (Ms. Coutu) present," he said. "As the governing authority, can't you just direct her to accept the vouchers as submitted? This is going on four weeks now that I haven't been paid."

Chairman Hughes agreed to contact Ms. Coutu and schedule another meeting at the next earliest convenience so that all the inspectors could be present to question her.

Under incoming notices for the week, Chairman Hughes noted:

• An invitation to the graduation ceremonies at ORR High School on Saturday, June 4 at 1:00 pm. Selectman Hawkes will be attending.

• Notice of the Annual Meeting of Coastline Elderly Services, which will be held on Friday, June 10 at 11:30 am at the Century House in Acushnet.

• Invitations to the Eagle Court of Honor services for Kenneth J. Rea, which will be held on Saturday, June 18 at 6:00 pm in the Rochester Grange Hall, and for Kevin M. Torren, which will be held on Saturday, July 9 at 6:00 pm in the St. Rose of Lima Pavilion.

The board then unanimously approved inflammable fluids permits for Steve Leconte (542 New Bedford Road) for an above-ground 500-gallon diesel fuel tank; Max Lawrence (32 Neck Road) for an above-ground 500-gallon gasoline fuel tank; and New England Telephone Company (North Avenue) for a 1,000-gallon above-ground gasoline fuel tank.

The board also unanimously approved payment of a voucher for Town Counsels Kopelman and Paige, P.C. in the amount of $2,550.80 for legal services rendered. The

board, however, only approved via majority vote (with Selectman Hawkes abstaining) a transfer of a $23,992.27 to pay for an Oil Spill Cleanup conducted by Franklin Corporation of New Bedford at the Town Fire Station. The spill was caused through a leak in an oil tank at the site.

There being no further matters to come before the board, they unanimously voted to adjourn for the evening at 8:05 pm.

system of Drop-Off Recycling at the Landfill. In discussing the question with a number of town voters, I have found there to be certain points of misinformation.

ONE: Some voters are already regular recyclers (about 8 percent of the town), donating their time and gas to bring their recyclables to the town landfill. Why should they pay out monies (approximately 25 cents per week per $100,000 house value) to facilitate recycling for other town members?

Wrong — By moving to curbside, the town would reach at least 80 percent participation. The greater the volume of recyclables collected, the greater their marketability; the smaller the amount of trash collected, the lower the tipping fee paid by the town to SEMASS for incineration. These immediate savings will be greatly increased once the state mandates the screening by SEMASS of Mattapoisett trash and the closing or modification of our landfill.

With screening, truck loads from Mattapoisett containing more than a certain percentage of recyclables must be rejected for incineration. If and when our landfill is closed, Mattapoisett will have to pay another landfill to take its refuse. These costs would be considerable. We need to initiate the most cost-effective plan for our town as soon as possible, and the plan has to be town-wide to be effective. Besides regular recyclers, you'll save both time and the cost of gas!

TWO: Why increase the amount of materials going into the recycling "stream" when there is so little market for them? Right now, a lot simply go

back to a dump — at an enormous cost to the towns that collected them.

Wrong — It is true that market for recyclables is having trouble keeping up with the quantities of recyclables collected. It takes time for businesses to re-gear their production process for you and I to change the way in which we select our purchases. Until both businesses and households change the way they work, markets won't be strong and income from recyclables won't cover the cost of collecting and hauling them.

However, no matter how sluggish the markets, Mattapoisett recyclables never have and never will go off to a dump. At present, our Board of Health Agent, Dale Barrows, markets our plastics and aluminum to A. W. Martin, our glass to Prinz Corporation, and our tin to Brockton Iron & Steel. And the contract drafted by Mattapoisett for proposed curbside haulers specifies that all materials collected must be recycled or the contract is void.

THREE: Why initiate curbside before the market for recyclables builds up? Let's wait until it's more profitable for the town.

Wrong — Because it's not that simple. The costs of recycling are not determined exclusively by the strength of the markets for materials.

For one, there's the cost of recycling bins.

We'll lose the DEP grant received by Mattapoisett for 1994 and worth $7,769 to cover the cost of the bins. If the town fails to vote in curbside this year, it's rescinded. We'll have to reapply another year and there is no guarantee that funds for such grants will still be there.

More long term, there are the costs of trash disposal, whether incinerator or landfill. If we wait to initiate curbside until after the state imposes mandates for trash load inspections at incinerator sites and landfill modifications or closings, we'll be in a weak position to negotiate low service fees. We will have to put the service vendors in the catbird seat. If, on the other hand, we vote in curbside

recycling at this year's Annual Town Meeting, we'll be signing a contract at prices defined within a competitive environment.

More long term still, by voting in curbside recycling, we'll take a single big step forward in encouraging the right care of our town and our resources so that we will pass on a beautiful and healthy place to our children.

Mattapoisett Recycling Committee

To the Editor:

I was very pleasantly surprised by the honors bestowed on me by the (Rochester) Board of Selectmen in recognition of my many years as a member and chairman of the Rochester Conservation Commission and Town Forest Committee.

It was an honor to have the Annual Report of the Town of Rochester dedicated to me. The frosting on the cake was the impressive plaque presented to me by Chairman (David) Hughes and members Lorraine Roy Hawkes and (Michael) Murphy, along with the lovely bouquet of flowers at the Annual Town Meeting on May 16, 1994.

Again, my appreciation to the full Board of Selectmen for the acknowledgements of the environmental contributions made to the Town of Rochester. Thank you!

Sincerely,
Georgia D. Chamberlain

THE IMPORTANCE OF LOCATION

Any Realtor will tell you that the three most important factors concerning the value of a house are: "Location, Location, and Location." Unfortunately, most home buyers ignore this important advice.

Location is especially vital when buying a house for maximum resale value. Statistics say that you will be reselling your home long before the final mortgage payment is in the mail. Therefore, take a long, hard look, not only at the present, but future prospects for the community and immediate neighborhood.

Select a location where raw land and house values have an increasing price trend. Especially check into the zoning laws for any unfavorable change which could cause depreciation in the value of the neighborhood and the resale price of your home in the near future.

Remember - you can remove, replace or remodel your house, but you can never change the location. So choose carefully.

Call Bob at Fisher & Rocha, Inc., 758-6738 or stop in at our office at 17 Fairhaven Road, Mattapoisett.

Memorial Day Exercises and Parade to be held on Monday, May 30 at 1:30 pm. The exercises will be held at the Public Library on Barstow Street in Mattapoisett.

The Memorial Day Prayer will be given by Rev. Barry Wall of St. Anthony's Church. The Gettysburg Address will be recited by Kevin L. Oliveira, son of Dr. and Mrs. Lawrence Oliveira of 20 Holly Lane in Mattapoisett. The Old Hammondtown School Band will be playing four selections throughout the exercises at the library. These selections will include "The Old Hammondtown School March," "America," "The Star Spangled Banner," and "The Phantom Regiment."

The address will be given by Dr. Milton A. Silveira, retired NASA Chief Engineer in Washington, D.C. Dr. Silveira is a Mattapoisett native who attended Center School, graduated from Fairhaven High School, received a B.S. in Mechanical Engineering from the University of Vermont, a M.S. in Aeronautical Engineering from the University of Virginia and an Sc.D. in Engineering (Honorary) from the University of Vermont.

Dr. Silveira was called to active duty from NASA as an Army Ordinance Officer due to the Korean War. He attended Flight School at San Marco Air Force Base, Texas, and received wings at Fort Hill as an army aviator. His stations included Army Aviation Field Service Office, St. Louis, Missouri, and Eighth U.S. Army Headquarters in Korea. He was the Eighth Army Engineering Officer for Aviation on General Maxwell Taylor's staff.

• The parade will continue through Old Landing Cemetery, north on Mill Street to Ryders Lane, east on Ryders Lane to Old Landing Memorial Park for ceremonies at the World War I, World War II, Korean, and Vietnam monuments.

• The parade will continue south on Front Street returning to the Music Hall.

Refreshments will be served at the Music Hall immediately following disbanding. All area veterans are invited to participate. Note: the ceremony at the Civil War monument at Evergreen Cemetery will be conducted after memorial services at the Congregational Church on Sunday, May 29.

In case of rain, a short program will be given at the Music Hall on Monday, May 30, beginning at 9:00 am.

Mattapoisett Track Club

Now that summer is on the way, it is time once again to sign up for the Mattapoisett Track Club. Registration will be held on Sunday, June 5 at Center School on Barstow Street at 6:00 pm. Parents are also welcome to register at ORR High School on Monday, June 6 before the Mattapoisett Town Meeting. All interested persons, ages toddlers to adults, are invited to join the club. Club shirts will be available at the time of registration. The first practice will be held on Wednesday, June 8 at ORR High School beginning at 6:30 pm.

Senior Academic Awards Evening

Principal James R. Egan of ORR High School cordially invites the parents, relatives and friends of the Class of 1994 to the Senior Awards Evening to be held in the ORR Gymnasium on Thursday, June 2 at 7:30 pm. No tickets are necessary to attend.

Seniors are asked to report to the cafeteria with pressed gowns and caps at 7:00 pm. The Pacheco Studio will be taking senior pictures beginning at 6:00 pm in the auditorium. A reception and art exhibit will follow the ceremony in the cafeteria.

Power Squadron's Safe Boating Week

The Mattapoisett Power Squadron is one of the 450 United States Power Squadrons which will be supporting Safe Boating Week from June 5 through June 11. The 11 local squadrons of District 14 will man a booth in the center of the Galleria Mall in Taunton from June 6 - 11.

The United States Power Squadron is a non-profit organization dedicated to safe boating through education. If offers a boating course to the general public and advanced courses to its members, including: seamanship, piloting, advanced piloting, weather, junior navigator, navigator (celestial navigation), sail, engine maintenance, marine electronics, cruise planning, skipper-saver, and instructor qualification.

The Power Squadron gathers for dinner meetings and socials throughout the year and summer boat rendezvous. For more information on the United States Power Squadron or the public boating course, please call Jean Kittredge at 758-3924.

help to spay and neuter approximately 30 cats, which in the future can help keep thousands of unwanted kittens and cats off the streets of the community.

Animal Umbrella has numerous juvenile and adult cats to offer for adoption, all have been spayed or neutered and vaccinated:

• There are two sisters that are six and a half months old, one long hair and one short, but identical grey tigers with orange highlights. They love children and have always been indoor cats.

• A long hair black female cat, absolutely gorgeous. Approximately two years and very affectionate, she would love to go to a house where she is the center of attention.

• A mother/son team, both with short hair, who are black and white, would like to be adopted together to a new home, but will be separated if necessary.

• There are multitudes of kittens in all sizes, shapes and colors, short and long haired, and both male and female. Please call for the latest offerings.

Animal Umbrella is also putting out a cry for help to all cat lovers in the area. "Bumper" is a seven-week-old tiger kitten who, when she was only four days old, was found by a large dog and carried home to his owners. Unfortunately, the dog's teeth were a little sharp and tore Bumper's abdominal

group will sign up and socialize, and then will participate in a discussion of fellow poets' work from 7:30 to 9:30 pm. Poets are encouraged to bring about 15 photocopies of one poem for discussion.

The Bartleby Scrivener Poetry group meets on the first Monday of each month at Lupo's (upstairs in the "Galley" Room), 363 Acushnet Avenue (downtown) New Bedford. Donation is $3 per meeting. The group takes its name from Bartleby, the scribe, the main character in Herman Melville's short story, "Bartleby, the Scrivener." The tale tells of a nineteenth century scribe who refused to compromise his principles to conform to the conventions of his day.

The purpose of the poetry group is to promote discussion and give encouragement and feedback to poets in an informal, pleasant atmosphere. The format is not designed to be a workshop, but rather a place where poets and poetry lovers can talk about poetry and share their work and insights. For further information, please contact Susan Grace at 758-4694.

began March 28, has brought in almost $27,000 to date. The ORR Track Fund representatives are currently calling businesses which have previously received a letter. We have had donations from local businesses, teachers, parents, grandparents, and other friends. This is a community effort.

The almost one-third of the ORR High School body who are cross country and/or track athletes are in desperate need of a usable track and field facility. They alone, however, are not the only people to benefit. A new facility will be a community asset. Over 200 youngsters participate in the Mattapoisett Track Club all summer long. People of all ages will be able to walk, jog, and run in a safe location.

The ORR Track Fund is grateful for the financial support they have received so far ... but they still have a long way to go. They intend to see this one to the finish. They are especially appealing to parents with children in the local grade schools and the Junior and Senior High Schools. No matter what size the donation, every little bit helps. Donations can be sent to: ORR Track Fund, P.O. Box 674, Mattapoisett, MA 02739. All donations are tax deductible and every cent goes into the actual building and maintenance of the track and field facility. All monies necessary to maintain the effort have been donated separately.

a competitor in the Southeastern Massachusetts Conference Mathematics League, was a strong performer for ORR at both the State and New England Math Meets this year. Brett will be a student in AP Calculus next year.

Honor Roll Omission

Casey Galligan of Mattapoisett was inadvertently omitted from ORR's Term 2 Honor Roll listing. We want to apologize to Casey and congratulate him on his achievement.

ORRJHS Drama Club

On May 26 and 27, the ORR Junior High School Drama Club will present its spring performance, "Is There A Doctor In The House?" Adapted from Moliere's "Doctor Plays," the show is a farcical trip to a small town in the old west. When the Mayor's daughter doesn't want to marry the rich old codger of her father's choosing, she fakes an illness to avoid completion of the ceremony. As many as four "quacks" take their chance at curing her and the laugh riot begins. Donations are suggested at $5 for adults, $3 for students. Curtain rise will be in the ORR Junior High School Cafetorium at 7:00 pm and the laughter won't stop for hours later.

A powerful prayer to the Holy Spirit -
Holy Spirit, you who solve all problems, who light all roads so I can attain my goals, you who give me the divine gifts to forgive and forget all evil against me, in this short prayer, to thank you for all things and confirm once again that I never want to be separated from you, even in spite of all material illusions. I wish to be with you in eternal glory, thank you for your mercy towards me and mine. The person must say this prayer for three consecutive days. After three days, the favor requested will be granted, even if it may appear difficult. This prayer must be published immediately after the favor is granted without mentioning the favor. Only your initials shall appear at the bottom. D.C.
